The use of any tobacco products or other related devices (e.g., cigarettes, pipes, cigars, electronic cigarettes, vapor devices) is prohibited in college buildings and on college grounds, including parking areas and structures, sidewalks, walkways, and college owned buildings.

The Smoke and Tobacco-free policy is part of the college's commitment to creating a healthy and sustainable environment for all members of our campus community, and is designed to be positive and health directed. Individuals noticing violations of the policy should strive to be non-confrontational and respectful to tobacco users when communicating our policy. Additionally, tobacco users are expected to adhere to the policy and likewise be respectful to ex-tobacco users and non-tobacco users. Enforcement of the policy will be achieved primarily through education, awareness and a spirit of cooperation.

Signage, electronic messaging, and notices in event programs and marketing let students, faculty, staff, and visitors know we are a tobacco-free campus.
